COVID 19 Daily Brief – 23rd June

News Summary:

UK PM Boris Johnson tells MPs that restaurants, pubs and hairdressers will reopen in England from 4 July.

Mr Johnson says 2m distancing rule is being reduced to 1m plus and that cinemas, museums and other attractions will also reopen, but not "close proximity" venues like indoor gyms.

We will continue to review our current C-19 arrangements against the latest advice and update everyone accordingly. Thank you.
