

## Daily Brief 13<sup>th</sup> August

---

In today's brief:

- SL Steam Outage – Update
- MoC Update – Dosimetry
- Visiting Lillyhall – Face Coverings

## SL Steam Outage - Update

---

Following the steam outage on Tuesday, we can now confirm that following a walkdown by the TU safety reps, that suitable contingency arrangements are now in place, to facilitate a return to work in the active areas, for the bulk of OSW personnel, commencing Friday 14<sup>th</sup> August.

We are waiting on final confirmation to relocate c10 people to another changing area. Line Managers will coordinate the return in the normal manner. We expect the steam to be fully returned by early next week.

Additionally, further 'dome type' welfare and messing facilities are going to be made available in the very near future.

### Management of Contractors Department Notifications

*Please see below information that has been shared on the Sellafield Ltd Portal;*

There are still a significant number of dosimeters for the period January to June 2020 which have not been returned to dosimetry.

For anyone who still has any dosimeters for this period (whole body and extremity) please can they arrange to have them returned as soon as possible.

Dosimeters should either be placed in the drop off boxes located at Albion, Banna Court and the Vertex Centre, Hinton House at Risley and onsite drop off boxes in B582, B594, B1831 and B405.

Individuals should not be entering active areas with out of date dosimeters. Current valid dosimeters will be dated either JULY2020, AUG2020 or JULSEP2020

If you need to collect your new dosimeter please email [externaldosimetry@sellafieldsites.com](mailto:externaldosimetry@sellafieldsites.com) or telephone 019467 74210
