## COVID 19 Daily Brief – 19<sup>th</sup> June

---

Hi all. Just a quick note to provide an update to everyone, on what has been a busy few weeks, with a huge amount of change and uncertainty, that I hope we have managed to communicate in a timely manner, so that everyone has remained informed.

We are working extremely hard with our delivery partners to develop our remobilisation plan in line with site requirements. This will continue a steady ramp up and return to normal operations over the coming weeks and months, balanced against our C-19 arrangements (+ current guidance) and PPN04/20.

It is important to remember that we have never stopped operations, and it is because of the professionalism and ‘can do attitude’ that everyone has displayed, that we have managed to remobilise as much as we have, whilst maintaining a safety focus and adjusting to the impacts of C-19.

I genuinely mean it when I say that we have a fantastic team, with a great attitude that continues to deliver week in week out, meeting challenges head on and finding new ways of working. I am genuinely proud to be part of the team, I hope that you are to in recognising your achievements to date - Well done.

In the next few weeks I expect the pace to change as the SL tactical plans (by area) begin to be implemented. As ever, we will be ready to respond, so please keep watching for the updates and team briefs as we go.

Thank you for everything you are doing, stay safe, have a great weekend & keep smiling 😊

Kind regards,

Rob

### C19 - Availability to Work Survey

To support the planning for the phased return to normal operations, an availability to work survey has been created on the OneAIM web page, to ensure our records are maintained & so that we can support all personnel as required, when recalled to site.

The link to questionnaire is here: [Availability Survey](#)

All personnel are requested to have completed the survey by Friday 19 June 2020.

Thank you for your continued support.

Ask the Team a question!

Following recent feedback we have launched the 'Ask a Question' link on our OneAIM webpage.

Click here: <https://www.one-aim.co.uk/ask>

This is for you to pose a question on any matter, which we will publish on the daily update. We will only publish the question and the relevant answer, not names or personal details, so please ask away.

Thank you.
